

Meeting Recap **March 13, 2024 1:30-3:30pm**

The Community Advisory Council was able to meet in-person this month and share a meal together! The atmosphere in the room was joyful and lively.

Topic 1: Welcoming new CAC members!

We welcomed three new CAC members: Hilary Flaming (she/her), Joy Mutare (she/her) and Lauren Riddle (they/them). All three council members are OHP members themselves or caretakers of an OHP member. We are so excited for their voice and presence.

Topic 2: OHA Update

Rebecca Donnell provided an update on the Health Related Social Needs benefits and the Community Capacity Building Fund opportunity for community-based organizations.

Topic 3: Health Equity and Engagement Team Updates

Dr. Phyusin shared that the Health Equity and Engagement team has welcomed a new Community Engagement Portfolio Manager, Luci Longoria (she/ella/they). Luci will be responsible for providing direct support and leadership for the Community Advisory Council.

Christine Kan (she/her) has been promoted to serve as the Community Health Manager. She will be responsible for leading the CHIP/CHNA work.

Topic 4: Behavioral Health Ecosystem (Mindy/Phyusin)

Mindy and Phyusin shared a presentation on Health Share’s Population Analysis, with a focus on the Behavioral Health/SUD population and the High Acuity clients. Mindy shared some high level data and what steps our CCO has taken in response to the High Acuity crisis; the work will only continue.

Topic 5: SHARE Update

Maria shared an overview of our SHARE process, and what we are able to accomplish in 2023. We are planning to bring the CAC and CIMAC together again in April to kickstart the SHARE 2024 process again, by taking our collective learnings from 2023. Maria also shared an update on our partnership with the Oregon Public Health Institute, who is SHARE grantee from 2023.

Wrap-up

To wrap up our time, we did a grounding exercise for CAC members to respond to all that was shared during the meeting time. There were a lot of reflections of hope!
