### Background Information and overview

#### What is Oregon's Health-Related Social Needs initiative?

Where we are born, live, learn, work, play, and age, can affect our health and quality of life. Access to health care, healthy foods, and safe housing, or "Health-Related Social Needs" (HRSN), is important to our health.

Oregon Health Plan (OHP) members who qualify (as defined by CMS<sup>1</sup>) have a new set of benefits available to them. HRSN benefits include:

- [Climate benefits](#)
- [Housing benefits](#)
- [Nutrition benefits](#)
- [Outreach and engagement supports](#)

HRSN benefit providers--including, community-based organizations, social service agencies, and others--play an important role in delivering benefits to qualifying members and may be eligible for [Community Capacity Building Funding \(CCBF\)](#).

---

<sup>1</sup> To qualify, OHP members must be in at least one of the following life transitions (additional criteria also applies for each type of HRSN service): 1) Released from incarceration in the past 12 months; 2) Discharged from a qualifying behavioral health facility in the past 12 months; 3) Current or past involvement in the Oregon child welfare system 4) Transitioning from Medicaid-only to dual eligibility (Medicaid and Medicare) status within the next three months or has transitioned in the past nine months; 5) Homeless or at risk of becoming homeless.

## What is the CCBF Grant Program?

As part of the HRSN initiative, the [CCBF grant program](#) supports organizations and their ability to provide the new HRSN benefits to eligible OHP members.

This funding supports investments necessary to:

1. Create robust, equitable networks of HRSN providers across the state.
2. Build the necessary capabilities and capacity of community partner organizations to participate in the Medicaid delivery system.

CCOs will manage the CCBF grant programs. A CCO is a network of health care providers (physical health care, addictions and mental health care) who work together in their local communities to serve people who receive health care coverage through OHP (Medicaid). There are [16 CCOs operating in communities around Oregon](#). More information on CCOs can be found [online and a map of CCO service areas can be found \[here\]\(#\)](#).

CCOs are responsible for:

1. Providing details of their CCBF grant program's priorities on their websites through webinars and other outreach activities.
2. Reviewing applications against minimum eligibility criteria.
3. Awarding and disbursing funding to awarded entities.
4. Monitoring funding uses to prevent fraud, waste and abuse.

## How much funding is available?

For the 2025 CCBF program, over \$55 million in grant funds is available statewide. Each CCO's total CCBF amount is available at Oregon Health Authority (OHA) [CCBF webpage](#). The amount per CCO was based on 2025 member enrollment forecasts and a minimum floor to ensure all CCOs have enough funds to meaningfully support the development of HRSN providers in their region.

## Information organizations should review prior to applying and how to apply.

- Learn about how to become and what it means to be an HRSN service provider:
  - Review the information on the [Health-Related Social Needs Information for Providers](#) webpage
  - Review [OHA training resources](#) for HRSN service providers.
  - Review the HRSN Service Descriptions (descriptions of specific benefits offered through HRSN) and Fee Schedules (rates for benefits offered through HRSN):
    - [Service Descriptions](#)
      - Climate supports: Table 3 (page 8)
      - Housing supports Table 4 (page 10)
      - Nutrition supports: Table 6 (page 29)
      - Outreach & engagement: Table 8 (page 37)
    - Fee Schedule
      - [Climate Benefits Fee Schedule](#)
      - [Housing Benefits Fee Schedule](#)
      - [Nutrition Benefits Fee Schedule](#)
  - Review the [HRSN Provider Qualifications](#) (note: HRSN Provider qualifications are required in order to become an HRSN Provider, but are separate from the eligibility criteria for organizations applying for CCBF. Organizations do not have to meet HRSN Provider qualifications to apply for CCBF. More information on CCBF eligibility criteria can be found in the section “What criteria will be used to evaluate this application for funding?” below, as well as further down in the application).
- Learn about CCBF priorities of the CCO/s operating in the service area/s in which you want to provide HRSN benefits.
  - Go to the [CCBF CCO Contact webpage](#):
  - Find the website and contact information for the CCO/s in the service areas of your organization
  - Review the CCBF webpage of the CCO and review their priorities for 2025
  - Email the CCO/s CCBF contact if you have questions
  - You can find additional information on [OHA CCBF webpage](#)

- Determine what HRSN benefits your organization intends to provide and what it will need to be able to do so. Organizations can provide one or more HRSN benefits to eligible OHP members.
- Complete and submit the CCBF application and budget funding request to the CCO operating in the service area no later than **May 30<sup>th</sup>, 2025**.
- Determine if you want to contract with one or more CCOs and Open Card/fee-for-service. To learn more about enrolling as an HRSN provider with a CCO, [contact the CCO](#) directly. To become provider with Open Card, view the OHA HRSN [provider enrollment training](#).

Note: ALL CCOs will use the same application and budget template below. However, some CCOs may ask for the information in a different format (such as a portal).

Organizations may apply to more than one CCO to meet the needs of their service area. However, organizations cannot request duplicate funding that serves the exact same purpose – for example, organizations cannot apply for funds to cover the cost of a specific staff person from more than one CCO *unless* they can explain in their application how the funding requests differ (e.g., the staff will serve different populations or the staff person will work across regions and their salary will be broken up accordingly).
