

# Physical Health Plan Change Request Form

Providers should complete this form to request a change to a Member’s Physical Health Plan to a plan with whom the Provider is contracted. Please note that plan changes will be effective 3 days after a completed request has been received. For all PCP changes, please contact the member’s health plan directly.

*Members should not complete this form. If a member would like to change their Physical Health Plan, they should call 503-416-8090.*
