

Health Related Social Needs Capacity Building for Community-Based Organizations

Training and Technical Assistance for CBOs

Health Share of Oregon and CSH are partnering to provide an exciting opportunity for community-based organizations (CBOs) interested in providing Health Related Social Needs (HRSN) services. These sessions are for organizations serving Multnomah, Clackamas, or Washington Counties.

Who Should Participate?

This opportunity is for CBOs considering becoming HRSN service providers. The training and technical assistance is designed to prepare CBOs who are thinking of applying for [Community Capacity Building Funds](#). This funding is available through Health Share to support a CBO in becoming a HRSN service provider.

REGISTER TODAY

Please fill out the form below to register for the training series and/or technical assistance. Please indicate your organization's needs when signing up for technical assistance.

Capacity Building Opportunities:

HRSN Provider Training Series

This five-session training series covers HRSN readiness, requirements needed to transition to providing HRSN, referrals and data collection, and possible startup costs.

Dates: Every other Wednesday beginning March 20th from 9AM to 11AM
(March 20, April 3, April 17, May 1, May 15)

HRSN Provider Technical Assistance (TA)

Technical assistance is a collaborative and coordinated approach to facilitating change and building the capacity of CBOs. Depending on the organization's needs, both one-on-one and group technical assistance is available. This includes targeted support to build the capacity of an organization to become a HRSN service provider.

Dates: Alternating Wednesdays beginning March 27th, from 9am to 11am
(March 27, April 10, April 24, May 8)

Webinars will be recorded and available after each session. [Please see the session topics and times here.](#)
